Dear Friend of the Chamber,

The Azle Area Chamber of Commerce is offering new and exciting opportunities at our monthly luncheons this year to network and show off your business. We are offering quarterly industry luncheons which will focus on a specific industry each quarter. Our luncheon on **April 6th, 2010** will focus on the **Building Industry**. All chamber members and friends of the chamber are encouraged to come and learn about the exciting things that are happening in the Building industry in the Azle area.
