

## **Scholarships Now Available for Camptivity Day Camp in Azle**

FORT WORTH, TEXAS – Camp Fire USA First Texas Council is now accepting applications for scholarships for Camptivity-Lyle Lodge, its summer day camp in Azle for children entering kindergarten through fifth grade.

“We are very pleased to announce that we have scholarship funds available,” said Lisa Cook, Vice President of Outdoor Programs. “Summer child care can be a big challenge and expense for working parents. And during the current economic environment, we have seen an increase in need for financial support,” she added. “Since the funds are limited, we encourage families to submit their application as soon as possible.”

In the Camptivity program, children enjoy swimming, team sports, archery, games, fishing and crafts. Activities are designed to teach new skills, encourage friendships and instill a sense of accomplishment. Camp Fire USA has contracted with First United Methodist Church of Fort Worth for the use Lyle Lodge, its seven-acre facility on Eagle Mountain Lake. The location offers a swimming pool, basketball court, private fishing pier, covered pavilion and air-conditioned lodge.
