*Teen Challenge of Texas is a 13 - month faith-based, non-profit 501(c)3, residential drug and alcohol rehabilitation center that is available to anyone with a life-controlling problem. Teen Challenge serves the needs of adults as well as adolescents, with over 220 centers in the U.S. and 250 worldwide. We have one of the highest success rates for rehabilitation. The "Jesus Factor" is cited as the difference between Teen Challenge and typical drug/alcohol rehabilitation.*

Since our students are not charged a monthly fee, anyone can get the help they need. Our banquet is a fundraising event that helps us meet our yearly operating budget. 100% of the money from the silent auction and table sponsorships goes directly back into the ministry.
